IV. LOCAL EXCHANGE SERVICES (CONT'D)

3. Service Offerings (Cont'd)

3.4 Verizon Business Services Flexible T1 Plus (Cont'd)

Flexible T1 Service is only available under Verizon Business Services (VBS) II or VBS III.

3.4.1 Eligibility: Customer must subscribe to or renew service under a Verizon Business Services Agreement with a minimum 1 year commitment as described in the Service Publication and Price Guide. Verizon Business Services Flexible T1 Plus cannot be used in conjunction with the Verizon Business Services Local and Long Distance Plan.

3.4.2 Rates and Rate Application: Applicable non-recurring charges, monthly recurring charges and usage charges are as specified in the Local Rates and Charges section of this tariff. The Offer is available on a per-circuit basis. Applicable non-recurring charges apply to services under the Verizon Business Services Flexible T1 Plus as specified in Local Line, Local Trunk.

3.5 Foreign Exchange (FX) Service

FX Service enables a Customer to receive Company-provided Local Exchange Access Service at a point(s) outside the Local Exchange Service Area that normally serves the customer's location. FX service can be used to receive one-way inbound digital traffic only. FX service must purchase an entire T-1 and meet the following conditions: 1) 100 percent of the traffic carried must be inbound local; and 2) the average off-hook time per call is more than ten minutes. FX Service is not available in Maine.

An FX service Customer will be charged applicable non-recurring charges and monthly recurring charges as specified in the Local Rates and Charges section of this tariff. Customers subscribing to DID capability will be assessed DID number charges as specified in the Local Rates and Charges.

3.5.2 Customers are prohibited from using FX service to place outbound calls including, but not limited to "911" emergency numbers. This restriction is required in order to assure that emergency calls are routed to the Public Safety Answering Point serving the geographical area associated with the Customer's telephone number.
